with any questions you have about  
our program.

**DATES: JUNE 15, 2020 -  
SEPTEMBER 15, 2020**

AST's first internship program is designed to introduce college students to contemporary women's rights issues in Turkey. This internship is a great opportunity to develop your research and academic writing skills as you work towards publishing a paper for AST under your own name. Guided by AST, you will have the benefit of scheduling your own work in the comfort of your home as you do research and conduct interviews.
